

#MyCHMExhibit CHALLENGE

HERE IS YOUR CHALLENGE

Learn about exhibit development process and associated museum careers. Design a museum exhibit at home with five personal objects or artifacts. Take a picture of your #MyCHMExhibit and share with us on social media.

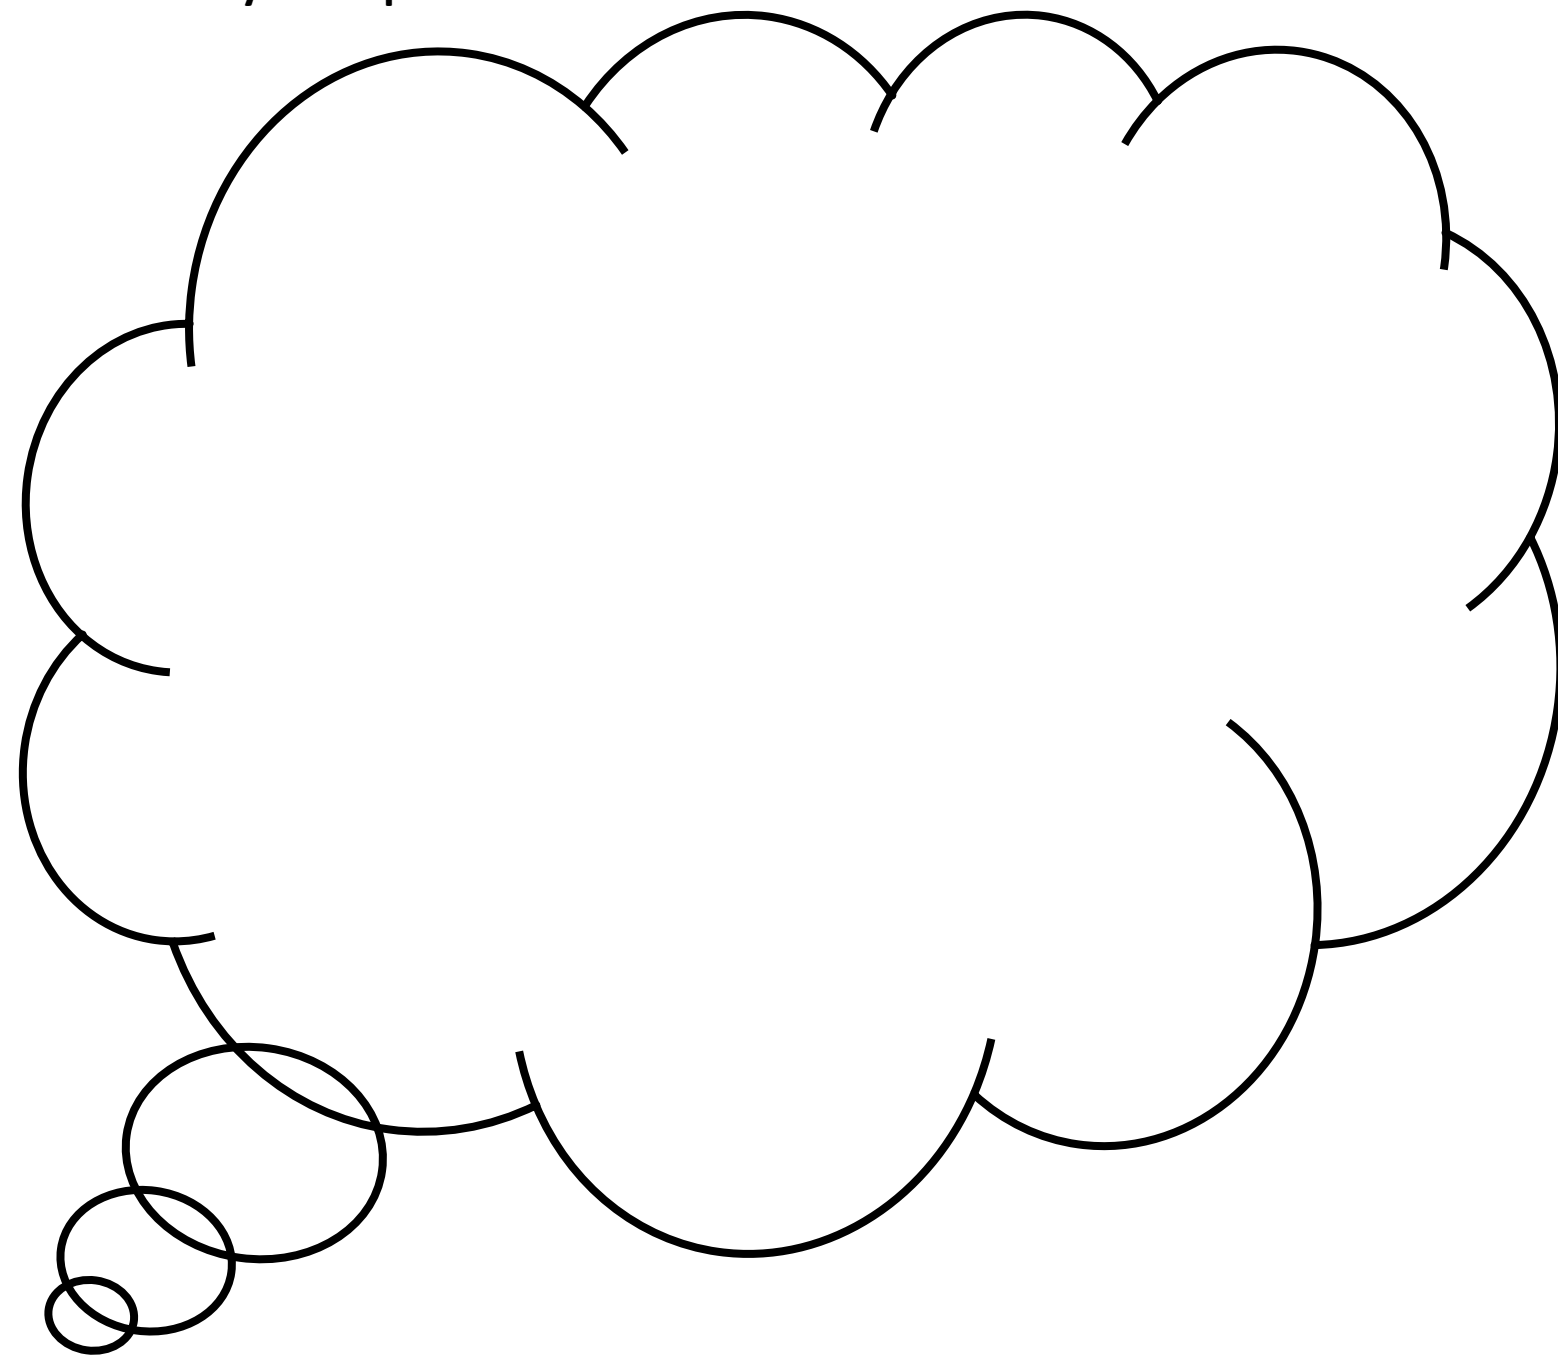

Use this worksheet to help you CHOOSE A TOPIC, SELECT ARTIFACTS, DESIGN IT & TELL A STORY WITH VIDEO!

Creativity is encouraged!

1 CHOOSE A TOPIC

Your topic should be fun and relatable. Think about how your topic might shed new light to a familiar subject or present a totally unique story!

RESEARCH your topic in the bubble!

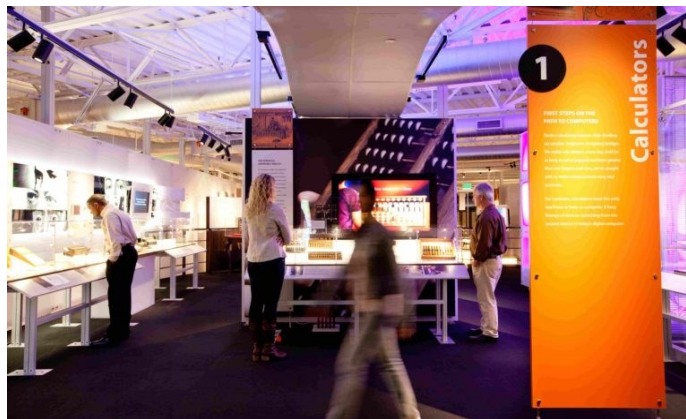

2 SELECT ARTIFACTS

Select a personal item, piece of clothing, retro technology, book, and photo.

Include the object/artifact name and a brief description.

(BONUS: How will you preserve them?)

3 DESIGN IT Make a list of 3-5 key messages you want your visitors to learn.

Use the blank space below to draw your ideas on how you will display your objects/artifacts.

4 TELL A STORY WITH VIDEO

Use the blank space below to brainstorm ideas on creating a video to enhance your #MyCHMExhibit.
